

MEDICAL REFRIGERATOR LR 410 G

A 408 l refrigerator for preserving laboratory temperature-sensitive products.

SKU: LR 410 G

Categories: [Biomedical Refrigeration](#), [Laboratory Refrigerators](#), [Laboratory Refrigerators with Solid Door](#), [Medical Refrigerators](#), [Medical Refrigerators with Solid Door](#)

PRODUCT DESCRIPTION

A 408 L MEDICAL REFRIGERATOR

- B Medical Systems Electronic
- Set point +4°C
- GMP Clean room classified
- DIN 58345

ADDITIONAL INFORMATION

Standard	Gold
Door type	Solid door
Gross volume (l)	408
Net volume (l)	319
Set point (°C)	+4
Alarm limits (can be programmed individually) (°C)	+6 /+2
Voltage (V)	220-240
Frequency (Hz)	50 / 60
Power (W)	240
Energy consumption (Kwh/24h)	1.60
Hold over time (from +4C° to +10C°) (h)	2
GMP class	ISO5/EC GMP A
Climate class	T (+16°C - +43°C)
